

Learning Values

Dear

Welcome to Seevic College. Our main aim during your student journey is to ensure that you achieve academic success, and to help with this we will provide you with strong support along the way.

Seevic is a happy college with a strong culture of work and motivation, but also with plenty of opportunities to make new friends and try new activities.

Our learning values sum up what will be expected of you. It is a condition of entry that you and your parents read them, and agree to them so together we can create the conditions for your success.

Good luck.

Nick Spenceley
Principal

Our Learning Values

1. **Work hard**

Successful students match the time spent in the classroom with independent study outside of the classroom. This will include using your directed study time in college and extra hours at home. You must comply with any requests to do extra hours in college. Please keep part-time jobs to weekends or evenings.

2. **Meet targets and deadlines**

Successful students never lose focus on their target grades and see them as a minimum starting point to be used as a springboard for greater success. They work with teachers and tutors to agree high expectations. They get work in on time.

3. **Attend all sessions (course lessons, Maths and English and any specified revision classes)**

Successful students agree a course of study with the College and stick to it; they understand that their commitment to their courses must be sustained right through until the end of the year. Attendance at **all** timetabled lessons e.g. subject lessons, weekly tutorials, English and/or Maths is compulsory. Please do not take holidays in term-time.

4. **Be punctual and organised**

Successful students attend every lesson, arriving on time with the right equipment and ready to do their best.

5. **Respect each other**

Successful students take responsibility, demonstrate positive attitudes and show respect for all members of the College community. They respect the college environment and resources.

We look forward to celebrating your success at the end of your course!

Six Week Probationary Period

The first six weeks of your course is a probationary period. During this period, if your progress, attendance or behaviour is of serious concern, the senior management team will take appropriate action which might include:

- ***Extension of the probationary period***
- ***Change of courses or subjects***
- ***Withdrawal from college***

Any decision to withdraw will follow a careful consideration of individual needs and a documented meeting with you and notification to parents/carers.

Student Agreement:

I have read the Seevic College Learning Values and will adhere to all of them.

Student name (please print): _____

Student signature: _____

Parent/Carer signature: _____

Date: ____/____/____
